Scoring

Scoring tickets **MUST** be written correctly! ALL PLAYERS at the table are responsible for accurate scoring (data) or verifying on the ticket or in the Bridgemate before accepting the results. When the hand is concluded, before the cards are placed back in the board, all players should agree on the results. EXAMPLE: making four? 620 or 420. The score is then recorded on the ticket and each player should write the score in their personal convention card. At the end of the round, the scores for the two, three, four, or more boards are recorded and East-West must look at the ticket, agree to what was written, before signing it, and leave it on the table, or the corner. When the game is over and the results are posted, a member from your partnership should review the sheet and make sure that all scores were recorded correctly and write down the masterpoints received on each board so you can review the results together.

Scoring tickets may be used less often as we add more Bridgemates. Not only will tickets be used less often, but the number of caddies will be reduced. Another situation with the Bridgemates is that if an error is made, there is no "ticket" to check. The two pairs in question must agree that an error in the score was made. Your private score card will really mean something to you now!

Bridgemates are now widely-used as an electronic scoring system. Players enter information during play on table-top terminals. This simplifies and speeds up the collection of your bridge session results, which are transmitted to the scorer's pc via wireless radio. The server picks up the data and stores it in a database. The data can then be processed by a third-party scoring program (ACBL score or Scorebridge).

Features of the Bridgemate include:

- ◆ Entry of board data all on one screen
- ◆ Instant feedback for players after entry of result
- ◆ Print reports
- ◆ Team game software available

2011 MAJOR KNOCKOUT TEAMS CONDITIONS OF CONTEST

REGISTRATION – PRE – REGISTRATION IS REQUIRED AND ENTRY WILL BE AVAILABLE IN PLAYING AREAS. All knockout team entries must be complete with names and master point holding of each member and must be turned in to the National Supervisory Director or her designee no later than 12:00 midnight SUNDAY, prior to the event. (ACBL Masterpoints will be counted at the conversion value in figuring the team total. If a player has both ACBL and ABA Masterpoints, a total must be reached using our published conversion factor). Teams may consist of 4, 5, or 6 players. The total entry fee of \$20.00 per player must be paid when entry is submitted. No additions or entry deletions may be made after the midnight deadline without specific approval of the National Supervisory Director. **DUAL REGISTRATION MAY VOID YOUR ENTRY!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!** Any Captain who has pre-registered and desires to withdraw should do so before the deadline expires (12:00 midnight, Sunday, prior to the event). When withdrawal occurs after the deadline due to dual registration, entry fee may be forfeited.

ATTENDANT CIRCUMSTANCES: This event will be conducted as a double elimination knockout for the first round only. Teams losing in the first round will automatically be entered into a consolation event called the "Second Chance Knockout". After the first round any team that loses is eliminated. Teams are not forced to play in the Second Chance Knockout and those desiring not to play must inform the Director-in-Charge within thirty minutes of the end of the first match. All members of the team must be in agreement and are required to sign a waiver. Entry fee for the Second Chance will not be refunded.

BRACKETING Each flight will consist of 16 teams aligned according to the **master point holding of each team**. In Flight "A" the defending team will be seeded number one provided four members of the original team are still members. Opponent pairing in all Flights of the MAJOR KNOCKOUT TEAMS will be determined by seeding. Teams will be seeded one through sixteen in each flight to determine their ranked positions and numerical designations. Adjustments may be made in the lower flights to accommodate excess registrants. However, the Association reserves the right to use other methods. Byes will be used only as a last resort. Opponent pairing in all flights can be determined for the first round by subtracting your team number from 17 where they are 16 teams in the flight. Flights of less than 16 subtract your team number from the total number of teams in the flight plus one.

TEAM ENTRY The Team Entry shall be completed with 4, 5 or 6 names. Each name shall be followed with an ABA Number and Current Master Point holding. The **Total Master Point Holding** for the team (4, 5 or 6 members) shall be placed in the space for Total MPA's found at the top of the Entry Form. **THE CAPTAIN OF THE TEAM IS RESPONSIBLE FOR THE ACCURACY OF THIS MASTER POINT TOTAL.** Any change in the TOTAL MASTER POINT HOLDING SHOULD BE REPORTED IMMEDIATELY (that is before team assignments are made). Failure to do so will result in DISQUALIFICATION.

SCORING – Each match will be scored by Imps, with a margin of a single IMP constituting a victory. Any tie at the end of regularly scheduled number of boards will be resolved by a 5 board playoff. Such playoffs will begin immediately after a short (5 minute) interval and continue until the match is resolved.

REQUIRED PARTICIPATION – A player is not required to play in the first match. However to be eligible for masterpoints and / or prizes, each member of the team, after the first round of the knockout, must play at least 50% of all ensuing matches as long as the team progresses. The National Supervisory Director may waive this requirement only in cases of dire emergency. Sit-outs must be reported at the time results are turned in. If for any reason a player is dropped or absent from a team, it must be reported immediately to the Director-in-Charge (DIC). No substitutes are allowed at anytime without prior authorization of the DIC.

CONCURRENT PARTICIPATION – Players entering two games concurrently must play the entire session of the event in which there is active participation. Substitutes are not permitted. Players are not allowed to register for single session games opposite any round of the Knockout Teams other than the first. Players must notify the Director selling entries, at the time of registration, that they are playing in another game. Should a player’s team progress to the next round this player will receive masterpoints for only the team game regardless of the next level of finish in the single game session event. Violations of these rules could result in disqualification from both games. Entry fees in these instances will not be refunded.

SEATING – There are no seeding rights. In the first half, Tables and Directions are determined by the Directors. The North / South and East/West are assigned to a specific table. In the second half, the team that trails in the match sits first and the leaders sit around them. For the second half, partnerships may be reassigned, but no pair that met in the first half will play each other in the second half. In the event of a tie at the half, simply reverse the initial assignment by the Directors.

CONVENTIONS – All conventions shown on the General Convention Chart are allowed in this event. Conventions listed as Mid-Chart are allowed in all flights where the bottom team has an average of 1200 or more masterpoints. The Super Chart applies to Flight “A”. The National Tournament Authority must approve all special conventions at least two hours prior to the start of the game.

PROTEST PERIOD – The period for the appeal of Directors’ rulings or for filing protest expires 30 minutes after each match. An appeal of a Director’s ruling on an infraction that occurred during the first half must be made known to the DIC and the opposing Captain before the start of the second half of the match; and for tied matches before the bidding begins in the playoff. When a committee is required, the DIC’ should have it convene before the match resumes.

PENALTIES – ALL STARTING TIMES WILL BE PROMINENTLY POSTED AND OBSERVED. FAILURE TO SEAT A COMPLETE TEAM BY THE OFFICAL STARTING TIME WILL, AT THE DIRECTOR’S DISCRETION DURING A TEN (10) MINUTE GRACE PERIOD, CARRY THE FOLLOWING PENALTIES FOR TARDINESS.

- A. 1 IMP for the first 5 minutes
- B. 2 IMPS for each additional 5 minutes.

The 10-minute grace period does not mean the event is scheduled to start 10 minutes after the official start time, but rather this is the period where the Director can excuse tardiness without penalty. If the player doesn’t have an acceptable excuse then the penalties identified can be imposed at the Director’s discretion. **BE ON TIME!** In addition, the match will be curtailed one board for each 5 minutes of lateness after the grace period, up to a maximum of three (3) boards. Three IMPS will be awarded for tardiness during the 10-minute grace period. 30 minutes after the posted starting time for the game the DIC will declare the match forfeited if a team has failed to seat four members. Starting times may not be changed by agreement between the teams except with the approval of the National Supervisory Director. If additional costs are associated with this change, they must be borne by the teams involved. Once a team member begins play in a match, he must complete that half. In case of an emergency, the DIC may excuse the player.

SUBSTITUTES – Substitutes may be used in an emergency with the express permission of the DIC with no penalty. (An emergency is defined as an unforeseen combination of dire circumstances, or the resulting state, requiring exigent action). A substitute may also be used to temporarily replace a late (unexcused) player. A substitute cannot be or have been a member of a team in the same flight as the team for which he is substituting. The presumed skill level of the substitute cannot be greater than that of the deposed player unless approved by the opposing team. If a substitute is used to replace a player who is not excused by the DIC, there will be a three (3) IMP penalty for the first board played by the substitute and a two (2) IMP penalty for each subsequent board played.

PLAYING TIME LIMITS Time limits apply: 6½ minutes per board. Playing time for 28 boards is 3 hours and 20 minutes, 32 boards is 3 hours and 28 minutes, and 36 boards is 3 hours and 54 minutes. Times are adjusted accordingly for other numbers of boards. Players have the responsibility to inform the Director of slow play. When the Director has fixed responsibility for slow play and all the boards are not completed in the prescribed time, a 3 IMP penalty will be assessed the offending team for each board missed.

ACCEPTANCE OF PENALTIES – Penalties assessed by the Director for an infraction, including slow play, tardiness and lateness, must be accepted by the non-offending team.

REPORTING RESULTS – Each Captain should sign his name on the reporting slip of the opposing team. The winning team Captain should turn in the slips for both teams at the assigned reporting station as soon as possible after results are determined and agreed upon.

KIBITZERS – Kibitzers will be permitted but must remain at one table. Any player may request the Director to remove a spectator from his table for cause. Fifth and sixth members may kibitz only at tables which are at least two tables removed from where their teammates are playing. During the finals, kibitzers are permitted only in the "Open Room".

DISQUALIFICATION – A team may be disqualified, at the discretion of the National Tournament Authority, for failure to comply with the conditions of contest.

ZERO TOLERANCE – Discourtesy to opponents, partner, or Director will not be tolerated. Repeated offenses will subject the offender to suspension from participation in that particular match. The National Tournament Authority will determine any future participation in the event and the tournament.

BOARDS IN PLAY – Flight "A," 1st round 28 boards, 2nd round 28 boards, 3rd round 32 boards and 36 boards in the final. Flight "B", 1st, 2nd, and 3rd rounds 28 boards and the final round is 32 boards. All other flights will play 26 boards in 1st, 2nd, and 3rd rounds and finals 28 boards.

**2011 SUMMER NATIONAL
SCOTTSDALE/PHOENIX, AZ
Second Chance Knockout Teams
CONDITIONS OF CONTEST**

This is a closed contest consisting of teams losing in the first round of the Victor Daly Knockout. No team is forced to play in this event. However, they must inform the Director in Charge within thirty minutes of the end of the first match of the Victor Daly KO of their desire to withdraw. All members of the team must be in agreement. A single member of a team will be allowed to withdraw only with the permission of his team and the DIC, provided that they can still field a team. No new player may be added.

1. This event will be conducted as a single elimination knockout. Each flight will consist of 16 teams aligned according to the master point holding of the top four members of each team. Adjustments may be made to accommodate uneven numbers of teams. The "Open Team" format will be the preferred method for bringing the field to the required number of entrants. However, the Association reserves the right to use other methods. "Byes" will be used only as a last resort. Opponent pairing in all flights can be determined for the first round by subtracting your team number from 17.

2. Each match will be scored by IMPS, with a margin of a single IMP constituting a victory. Any tie at the end of the regularly scheduled number of boards will be resolved by continuing 5 board matches. These playoffs when required will begin immediately after a short (5 minute) interval and this format will continue until the match is resolved.

3. A PLAYER IS NOT REQUIRED TO PLAY IN THE FIRST MATCH. However, to be eligible for master points and/or prizes, each member of the team, after the first round, must play at least 50% of all remaining matches as long as the team progresses. The National Supervisory Director may waive this requirement only in cases of dire emergency. Sin-outs must be reported at the time results are turned in. If for any reason a player is dropped or absent from a team, it must be reported immediately to the Director in Charge (DIC). No substitutions are allowed at anytime without prior authorization of the DIC.

4. Twenty-four (24) boards will be played the first three rounds with a twenty-eight (28) board final. Each match is played in two segments called halves. Each match will consist of a "seeded team" (the team with the lower bracket number) and an "unseeded team". In the first half of the match, the captain of the unseeded team will seat his team first, placing one pair in the home table. The captain of the seeded team then places his players as he chooses. SHOULD THE CAPTAIN OF THE UNSEEDED TEAM MAKE CHANGES BEFORE PLAY COMMENCES, THE CAPTAIN OF THE SEEDED TEAM HAS THE FINAL CHOICE IN PLACING HIS PLAYERS. For the second half the captain of the seeded team places his players. The unseeded team then has the same privileges for the second half that the seeded team was afforded for the first half. For the second half, partnerships may be rearranged. HOWEVER, NO TWO PAIRS WHO MET IN THE FIRST HALF MAY REPEAT AS OPPONENTS.

5. All conventions shown on the General Convention Chart are allowed in this event. Conventions listed as mid-chart and Super chart Conventions are allowed in all flights where the bottom team of the flight has an average of more than 1200 points. All other conventions must be approved by the National Tournament Authority at least two hours prior to the start of the game.

6. The period for the appeal of directors' rulings or for filing protests expires 30 minutes after the match. The DIC must be informed of a teams' intention to file an appeal. An appeal of a director's ruling on an infraction that occurred during the first half must be made known to the DIC and the opposing captain before the start of the second half of the match, and for tied matches, before the auction begins in the playoff. If a committee is required it should be convened before the match resumes after the first half or to break a tie.

7. All starting times will be prominently posted and observed. Penalties for failure to seat a complete team after a ten (10) minutes grace period are:

A. 1 IMP for the first 5 minutes

B. 2 IMPS for the second 5 minutes;

C. 3 IMPS for each additional 5 minutes up to 20 minutes

In addition, the match will be curtailed one board for each 7 1/2 minutes of tardiness after the grace period, up to a maximum of three (3) boards. Three IMPS will be awarded to the non-offending side for each board curtailed. This is in addition to the IMPS awarded for lateness. 30 minutes after game time, the DIC will declare the match forfeited if a team has failed to seat four members. Starting times may not be changed by agreement between the teams except with the approval of the National Supervisory Director. If additional costs are associated with this change, they must be borne by the teams involved. Once a team member begins play in the match, he must complete that half. In the case of an emergency, the DIC may excuse the player.

8. Substitutes may be used in an emergency with the express permission of the DIC with no penalty. (An emergency is defined as an unexpected event). A substitute cannot be or have been a member of a team in the same flight as the team for which he is substituting. The skill level of the substitute cannot be greater than that of the deposed player unless approved by the opposing team. If a substitute is used to replace a player who is not excused by the DIC, there will be a three (3) IMP penalty for the first board played by the substitute and a two (2) IMP penalty for each subsequent board played.

9. International time limits apply; 7 1/2 minutes per board. Playing time for 24 boards is 3 hours; and playing time for 28 boards is 3 hours and 30 minutes. Players have the responsibility to inform the director of slow play. If responsibility for slow play has been fixed by the director and all the boards are not completed in the prescribed time, a 3 IMP penalty will be assessed the offending team for each board missed.

10. Penalties assessed by the director for any infraction including slow play and tardiness must be accepted by the non-offending team.

11. Each captain should sign his name on the reporting slip of the opposing team. The winning team captain should turn in the slips for both teams at the assigned reporting station as soon as possible after results are determined and agreed on.

12. Kibitzers will be permitted **BUST MUST REMAIN AT ONE TABLE.** Any player may request the Director to remove a spectator from his table for cause. Fifth and sixth members may kibitz only at tables which are at least two tables removed from where their teammates are playing. During the finals, kibitzers are permitted only in the "Open Room."

13. A team may be disqualified, at the discretion of the National Tournament Authority, for failure to comply with the conditions of contest. The opponent of a disqualified team does not automatically receive credit for a win.

14. Discourtesy to opponents, partner, or director will not be tolerated. Repeated offenses will subject the offender to suspension from participation in that particular match. Further participation in the event and the tournament will be determined by the National Tournament Authority.

15. All players must be members in good standing in the ABA to play in this event. Dues may be paid at the National Office.
