

William "Peasy" Johnson's 90th Birthday Bash

A good time was had by all at "Peasy's" 90th Birthday Bash. He LOVES the Padres, and invited 70 of his closest and dearest family and friends to go to a Padres' Game. They came from as far away as Rhode Island. The first picture you see is his nephew who was named after him, and is also called "Peasy". He lives in Rhode Island. It was an "all you can eat hot dogs, popcorn, peanuts and soda pop party". The 3rd picture is with his only son, Michael. In a later picture you will see he and his wife Margie to whom he's been married 65 years. In September, it will be 66. The other pictures are of family, friends and several Aztec Duplicate Bridge Club members. Practically all of the Aztecs attended.

Additionally, someone suggested we send in our new slate of officers.....President, yours truly, 1st Vice-President, Vivian Johnson, 2nd VP, Renetta Humphries, Secretary, Maxine McIntosh and Treasurer continues to be Tom McDowell.

That's all for now.....jewel mcdowell
